## **Rotary Club of Greenville Centennial: Our Legacy for Tomorrow**

March 1, 2016, will be the 100<sup>th</sup> Anniversary of the chartering of the Rotary Club of Greenville. It has been an eventful 100 years for the club, for Greenville and for Rotary International. All of this will be celebrated at a Centennial Banquet to be held at the TD Convention Center on Tuesday, March 1, 2016. The event will include a video about the first 100 years, a Rotary International representative and other activities that will demonstrate the historical role that the club has played in shaping Greenville.

**Our Legacy for Tomorrow** will be the overall theme for the Centennial. It will be carried out through numerous activities during the 2015/2016 Rotary year. These include:

- A major service project
- A legacy project in downtown Greenville
- A Peace Seminar
- A Centennial pin
- An interactive display at the Upstate History museum
- A membership initiative aimed at former Rotarians
- A fund raising effort
- An overall coordinated publicity plan for Rotary in general and the Rotary Club of Greenville in particular.

George Fletcher is chair the Centennial Committee. He will present an overview of the project at the January 27<sup>th</sup> meeting. At each subsequent meeting until the events kickoff, there will either be short presentation about the club history or one of the subcommittee chairs will discuss details of their programs.
