Rotary Club of Greenville OUR NEXT MEETING

Join us at the Westin Poinsett Hotel
Tuesday, February 27 at 12:00; Business Begins at 12:15

Brendan Kelly Chancellor, University of South Carolina Upstate

Brendan B. Kelly, Ph.D. was appointed chancellor of the University of South Carolina Upstate on March 1, 2017.

During his first several months at the helm, Chancellor Kelly has clearly articulated his vision to position USC Upstate as a top regional comprehensive university in the southeast that is deeply connected to industry, deeply involved in the community, and constantly working to be better for the students and alumni of this institution. He has outlined three

chief priorities for the institution: growth, visibility, and enhanced resources. In an effort to engage the community, he has initiated stakeholder-based strategic planning involving hundreds of community members in laying the groundwork for the blueprint of USC Upstate's future.

Prior to coming to USC Upstate, Dr. Kelly was at the University of West Florida (UWF) where he led and managed the Division of University Advancement, which included the units of University Marketing and Communications, Alumni Relations, Development, Community Engagement, University of West Florida Historic Trust and WUWF Public Media. He also served as president of the UWF Foundation, Inc. where he was responsible for activities constituting effective and trustworthy stewardship of the UWF Foundation's assets. Additionally, Kelly served as chief executive officer of the UWF Historic Trust, which is dedicated to collecting, preserving, interpreting and sharing the history of Northwest Florida.

Prior to joining the Division of Advancement, Dr. Kelly served as the director of the School of Fine, Performing and Communication Arts and chair of the Department of Communication Arts at UWF. He joined the UWF faculty in 2004 and served as director of the nationally recognized UWF speech and debate program. Specializing in speech communication training, Kelly has taught courses in political communication, speech communication, communication ethics and various areas related to strategic communication.

Spring Events: An Opportunity to Become More Involved

With Spring comes warm weather and some of our club's favorite projects and activities. On March 27 we have our annual Career Day Luncheon. This year we are hoping to host almost one hundred college-bound, high school seniors who are looking to leaders like you to give them advice and guidance in your particular profession. What a great way to impact the future generation! Please contact Joan Burket at Joan.burket@scansource.com or Jeff Bullock at jbullock@greenvillesc.gov to sign up. It won't take much of your time, and it will potentially have a huge long-term impact on a young person's life!

On May 21 we are having our Rotary Charities Golf Tournament at Holly Tree Country Club. This year we will be doing something for the non-golfers....a tennis tournament.

This event is always a lot of fun and helps us to provide college scholarships to our "Service Above Self" scholarship winners. Join us this year by putting together a foursome to play, helping financially by being a sponsor of the event, or volunteering for a fun day at the golf course. Please help us to promote this annual fundraiser so we can keep providing scholarship funds to these kids who really deserve it! For more information visit our website at www.greenvillerotary.org.

These are great ways to get involved with your Rotary Club.

Albert Schweitzer once said, "I don't know what your destiny will be, but one thing I do know: the only ones among you who will be really happy are those who have sought and found how to serve."

Let's keep serving so we can make a difference in Greenville!

- SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Leading Through Service

Early Act First Knight (EAFK) Update

Our Club partners with 2 schools in the area, Alexander Elementary School and Lead Academy, in the Early Act First Knight program.

In a recent report on the partnership, Jane Dyer explained, "Our first knighting ceremony was a few weeks ago and you can't imagine how excited the students were when the curtains were pulled back and they saw a real knight!!!"

Make plans to attend one of the knighting ceremonies; however, if you do plan to attend, contact Jane as schedules may change due to conflicts that arise within the schools.

Future Knighting ceremonies:

Alexander Elementary School

March 20, 1:15 PM
May 7, 1:15 PM

Lead Academy

March 23, 1:00 PM
May 11, 1:00 PM

The program still needs volunteers, so if you would like to be involved in this very rewarding endeavor, Jane will be happy to provide additional information.

Career Day: Showing the Path

Career Day has become a signature event for our club. It pairs a high school student with a Rotary volunteer mentors in the career field of the student's choice for a half-day shadowing experience. The students are juniors and seniors selected by their counselors from participating Greenville county high schools. The event provides the students a unique opportunity to learn about a career interest in a "hands-on" manner and provides Rotarians an opportunity to fulfill their commitment to vocational service, one of the four primary areas of service in Rotary, in a meaningful way.

The Career Day Service Award is also given on this day to either a Rotarian or a community member who has demonstrated high ethical standards in business and professional affairs and positively influences the future of youth in our community.

If you are willing to share information with students interested in your chosen profession, please volunteer to spend time with them during Career Day.
