Thoughts from President Scott Stephens

## Making a Difference in Our Community Through Rotary

The last time I wrote to you, I referred to the number of volunteer hours our club members have dedicated to one of the many projects to which Rotary Club of Greenville is committed. Over 3000 hours have been volunteered in service to our local community through our Rotary Club. I've found that every so often, we need a reminder of all of the significant work we are accomplishing for people in the Upstate:

- We have donated money to help the Nicholtown Association build a playground for underprivileged youth in addition to providing support to other worthwhile local charities.
- We sponsor the "Service Above Self" scholarships which help pay college tuition over a four year commitment for four outstanding young people.
- We recognize and show appreciation for top performing teachers and law enforcement professionals in our community.
- We partner with and provide financial support for the Greenville Literacy Association.
- We provide mentors for returning veterans re-entering the workforce and women who want to start a small business.
- We sponsor the Early Act First Knight character-building program at two elementary schools in the Upstate.
- We donate money to fight Polio and support Alzheimer's research.
- We provide vocational direction and guidance to high school seniors at our annual Career Day program.

All of these great accomplishments are possible because of members like you. You volunteer, giving your time generously, and you sacrificially give your support financially. Thank you!

Our Rotary club provides a platform from which we can serve others in our community. Remember that when someone asks you why you're in Rotary.

Better yet, invite them to be your guest and see Rotary at its best the next time you volunteer for one of these great projects.

"You have not lived today until you have done something for someone who can never repay you"  
- John Bunyan

## Remembering Dr. Randy Kowalski

It is with great sadness that we announce the death of long-time member and Past President the Reverend Doctor Paul Randolph (Randy) Kowalski. During his long and distinguished career as a Presbyterian minister, Randy served congregations in South Carolina and Georgia, culminating in his 30 year tenure as Senior Minister at First Presbyterian Church of Greenville. He joined the Rotary Club of Greenville in 1974, and remained an active member until 2016. He served as President of the club during the 1987-1988 Rotary year.

## Early Act First Knight (EAFK) Update

Our Club partners with 2 schools in the area, Alexander Elementary School and Lead Academy, in the Early Act First Knight program.

In a recent report on the partnership, Jane Dyer explained, "Our first knighting ceremony was a few weeks ago and you can't imagine how excited the students were when the curtains were pulled back and they saw a real knight!!! "

Make plans to attend one of the knighting ceremonies; however, if you do plan to attend, contact Jane as schedules may change due to conflicts that arise within the schools.

### Future Knighting ceremonies:

**Alexander Elementary School**  
May 7, 1:15 PM

**Lead Academy**  
May 11, 1:00 PM

The program still needs volunteers, so if you would like to be involved in this very rewarding endeavor, Jane will be happy to provide additional information.

## Support Our Service Above Self Scholarship Winner

Ellen Featherstone, our club's first recipient of the Rotary "Service above Self" Scholarship, spoke at the last Rotary Club of Greenville meeting about her plans after graduation from Clemson University. Ellen will graduate from Clemson University on May 11th at 2:30 p.m. After graduation, she will be going to Malawi (Africa) for 27 months to serve as a Health Extension Volunteer with Peace Corps Malawi.

To celebrate Ellen's graduation, we want to provide her with funds for a special project or projects which she chooses for the Malawi village in which she will be working. Three-quarters of Malawians live below the international poverty line, surviving on less than \$1.25 per day. The funds will be presented to Ellen as a graduation gift to support her continued commitment to "Service above Self."

Following Ellen's presentation, funds were collected for a Malawi project. If you did not have an opportunity to contribute funds for Ellen's use in Malawi, you may send a check directly to Ellen Featherstone, 9 Northbrook Way, Greenville, SC 29615. Checks should be made payable to Ellen Featherstone with Malawi Project(s) on the memo line. You may also give Dee Kivett or me your contribution at the next Rotary meeting.

If you did not hear Ellen's presentation at our Rotary meeting, you will enjoy reading excerpts from her presentation below.

Rotarians, you can take great pride in the contributions that you have made to Ellen Featherstone's life and continued service to humanity through the Rotary "Service above Self" Scholarship! Join us in celebrating Ellen's graduation from Clemson University!

# Service Above Self Scholarship

## Excerpts from an Address to the Club

### A Season of Lasts

I come to you today in a season of “Lasts”. I am in my “Last” semester at Clemson University, I am attending my “Last” spring football game this Saturday, and I am speaking to the Rotary Club of Greenville for the “Last” time.

It's strange to think that only four years ago, I stood at this podium to accept the first Rotary “Service Above Self” Scholarship. This was not an accolade I felt I had earned, and to be honest it was not an award that I truly understood. But I can say with confidence, now more than ever, that over my years at Clemson I have come to understand that service is so much more than a simple definition. Service is a lifestyle, service is love, and the potential for service is in each of us. It is because of my experiences and the influence of many mentors that I now know what service and more specifically servant leadership mean.

For those of you who are not already aware, following graduation, I have accepted a position as a Health Extension Volunteer with Peace Corps Malawi. After departing June 2nd, I will be serving for 27 months abroad. During this time, I will be working under the President's Malaria Initiative and the President's Emergency Plan for AIDS Relief. I am thrilled to be able to serve in the global health sector, and cannot wait to use my degree to help the community I will be living in.

For those of you wanting a little bit of background, Malawi is a small landlocked country in Southeast Africa bordering Zambia, Tanzania, and Mozambique. It is affectionately referred to as the “Warm Heart of Africa” due to the generosity and kindness of the people who live there. Malawi experiences high rates of poverty. Over 90% of the population survives on subsistence agriculture living under \$2 per day, and 47% of children under the age of 5 experience growth stunts related to malnutrition. Over 10% of the population is suffering from AIDS/HIV. Despite progress, Malaria continues to be a major public health problem. The disease accounts for 40% of hospitalizations in children under 5, 30% of all outpatient visits, and is one of the major causes of mortality across all age groups.

I am not ignorant that this opportunity to serve comes with challenges. But if there is one thing that I have learned since coming to college, it is that the greatest of gifts can come from the most challenging of times.

There were challenges when I worked at a summer camp for people with disabilities: A place where I taught art to the blind, learned to talk through smiles, and learned the true meaning of hope. A place where I began to question if I was making a difference, or if others were strictly making a difference in me. A place where for the first time in my life I woke up in the morning with the sole purpose of serving others instead of myself.

Ellen continued to discuss challenges she faced while in college. She ended her presentation with the following:

“I want to thank each and every one of you for the investment that you've made in my education. The Rotary “Service Above Self” Scholarship has meant the world to me. It has allowed me to place service as a focal point in my college career and to truly learn what it means to place Service above Self.”

Ellen Featherstone
