President's Message

Thoughts from President Scott Stephens

Winding Down and Gearing Up.

It's hard to believe the Rotary year is winding down! For many, it's hard to consider July as the beginning of the year, but to Rotary that's what it is.

So, if we're to compare the Rotary year to our normal calendar year, we're at that point where we consider our goals for the "new" year and we finish our tasks for the "old" year.

President-Elect Ron and his team have started planning for an exciting new year with a Peace Conference in Spring of 2019, becoming a host club again for an exchange student, and initiating a new major fundraiser.

As I wind up my year as President, there is still a lot to do. We have our golf tournament in a few weeks. I need to make sure that our club has provided funding for the Rotary Foundation, CART, and all of the other important causes in which we are involved. I need to ensure that we are laying the proper foundation upon which Ron and his team can build.

Of these remaining incomplete items, probably the most significant is making sure that our giving to the Rotary Foundation is strong. Gifts to the foundation ensure that our impact internationally is significant.

If you've not contributed to the Paul Harris Society this year, please take a moment to send your gift. Your contribution truly makes a difference in the world.

Help me end this Rotary year strong.

A handwritten signature in black ink that reads "Scott Stephens". The script is fluid and cursive, with the first letters of "Scott" and "Stephens" being capitalized and prominent.

President

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST:** The development of acquaintance as an opportunity for service;
- SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

International Exchange

Host Family Needed!

Our club has committed to hosting an exchange student for the 2018-19 academic year. We are still in need of a Host Family to welcome this high school male student (from either Russia or Germany) into their home. There is no compensation for the family. However, our club will provide \$125 per month as a stipend directly to the student. Here are some details:

The host family commitment is roughly for the school year, August 2018 – June 2019. The student should arrive about one week before school begins (August 20 for GCS) and depart at the end of the school year (roughly June). Students are aged 15-18½ and will attend public high school for the year.

Of the five students our Rotary region has agreed to host, there are three boys and two girls. Countries of origin this year are: Belgium, Brazil, Germany, Russia, and Spain.

All students speak a functional level of English, enough to attend a US public school.

Host families are asked to take in the exchange student as a member of their family for the 10-month period. They must provide room, board and access to high school. This is done at the host family's expense.
